We have not detailed anything of payments 'under a sponsor programme' and I believe we should try where possible to avoid further complicating the issue down there with additional thoughts if at all possible. We have made a statement and clarified it I think we should encourage people to believe that that is our final position on this subject.

Hi Rutger - I am not comfortable with the words "sponsor programme". I have copied Rohan in on this exchange for his views. It is important that consistent messages are sent.

Good afternoon Mark,

We will inform the Central bank (as this is in the media) that this was a genuine payment in the Sponsor program of Trafigura and that it is made from the UK so it is not really their concern

When you are in tomorrow I will explain it to you as I am coming together with Jan Maat to visit Robin Clifford.

Best wishes

Rutger
