Independent Auditors' Report

Board of Directors Greenpeace, Inc. Washington, DC

Report on the Financial Statements

We have audited the accompanying financial statements of Greenpeace, Inc. (the Organization), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors Greenpeace, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements December 31, 2016 and 2015

1. Nature of Operations

Greenpeace, Inc. ("the Organization") was established in 1987 as a non-profit corporation to promote the protection and preservation of the environment through lobbying, education, advocacy, and peaceful direct action. Its activities are carried out through various programs and campaigns in support of this mission. The Organization's primary sources of revenues are contributions from individuals, grants from the Greenpeace Fund, Inc. ("the Fund"), and grants from Stichting Greenpeace Council ("the Council").

2. Summary of Significant Accounting Policies

Basis of Accounting and Presentation

The Organization's financial statements are prepared on the accrual basis of accounting and are in accordance with generally accepted accounting principles for not-for-profit organizations. Net assets are reported based on the presence or absence of donor-imposed restrictions, as follows:

- *Unrestricted net assets* represent funds that are not subject to donor-imposed stipulations and are available for support of the Organization's operations.
- Temporarily restricted net assets represent funds that are subject to donorimposed restrictions that are met through specific actions of the Organization or through the passage of time.
- Permanently restricted net assets represent funds subject to donor imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the institution to use all or part of the income earned on related investments for general or specific purposes. The Organization did not have permanently restricted net assets at December 31, 2016 and 2015.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash Equivalents

The Organization considers as cash equivalents demand deposits and all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of 90 days or less at the time of purchase. However, cash equivalents held in the Organization's investment portfolio are included as a component of investments.

Notes to Financial Statements December 31, 2016 and 2015

2. Summary of Significant Accounting Policies (continued)

<u>Investments</u>

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. All unrealized gains and losses, realized gains and losses, and interest and dividend income, net of investment management fees are included in investment income in the accompanying statement of activities.

Property and Equipment

Property and equipment with a cost in excess of \$3,000 and a projected useful life exceeding one year are capitalized and recorded at cost. Leasehold improvements are amortized using the straight-line method over the shorter of their estimated useful lives or the lease term. Software development costs are recorded at cost. Once software projects are substantially complete and ready for intended use, the cost will be amortized using the straight-line method over the estimated useful life of five years.

Depreciation and amortization on all other property and equipment is computed using the straight-line method over the estimated useful lives of the related assets, which range from three to five years. Repairs and maintenance costs are expensed as incurred. Upon the retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the respective accounts and any resulting gain or loss is included in revenues or expenses.

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell.

Notes to Financial Statements December 31, 2016 and 2015

2. Summary of Significant Accounting Policies (continued)

Revenue Recognition

Contributions, including unconditional promises to give, are recognized at fair value when received or pledged, whichever is earlier. All grants and contributions are considered to be available for unrestricted use unless specifically restricted by the donor. The Organization reports grants and contributions as temporarily restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Other income consists of licensing, royalties, merchandise sales, and revenues from training sessions, and is recognized when earned.

Donated Services

The Organization utilizes volunteer services in several areas of operations. Volunteer services that require special skills and would otherwise need to be purchased are recorded as support and expense in the period provided. Non-professional volunteer hours are not recorded as revenue or expense in the accompanying financial statements.

Functional Allocation of Expenses

The costs of the Organization's programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through June 5, 2017, the date the financial statements were available to be issued.

Notes to Financial Statements December 31, 2016 and 2015

3. Concentrations

Revenue Risk

Approximately 25% and 18% of the Organization's support was provided by the Fund for the years ended December 31, 2016 and 2015, respectively. Any reduction in the level of support from the Fund could affect the Organization's program activities.

Credit Risk

Financial instruments that potentially subject the Organization to significant concentrations of credit risk consist of cash and investments. The Organization maintains cash deposit and transaction accounts, along with investments, with various financial institutions and these values, from time to time, exceed insurable limits under the Federal Depository Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC). The Organization has not experienced any credit losses on its cash and cash equivalents and investments to date as it relates to FDIC and SIPC insurance limits. Management periodically assesses the financial condition of these financial institutions and believes that the risk of any credit loss is minimal.

Market Risk

The Organization invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of financial position and activities.

4. Investments and Fair Value Measurements

A fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value is established by generally accepted accounting principles. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Notes to Financial Statements December 31, 2016 and 2015

4. Investments and Fair Value Measurements (continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2016 and 2015.

Equities: Valued at the last sales price, or if there is no sale and the market is still considered active, at the last transaction price before year end.

Notes to Financial Statements December 31, 2016 and 2015

4. Investments and Fair Value Measurements (continued)

The following table presents the Organization's fair value hierarchy for those investments measured on a recurring basis at December 31:

			/			
	Level 1		Level 2		Level 3	Total
Equities:						
Domestic	\$ 49,811	\$	-	\$	-	\$ 49,811
International	8,459		-		-	8,459
Money market funds	13,092		-		-	13,092
Total investments	\$ 71,362	\$	-	\$	-	\$ 71,362
						_
				2015		
	 Level 1		Level 2		Level 3	Total
Equities:						_
Domestic	\$ 43,454	\$	-	\$	-	\$ 43,454
International	4,399		-		-	4,399
Money market funds	14,439		-		-	14,439
Total investments	\$ 62,292	(t)		\$		\$ 62,292

Investment income consists of the following for the years ended December 31:

	2016	2015
Net realized and unrealized gain (loss) Interest and dividends,	\$ 7,811	\$ (8,086)
net of investment fees of \$499 and \$496	1,259	1,218
Total investment (loss) income	\$ 9,070	\$ (6,868)

Notes to Financial Statements December 31, 2016 and 2015

5. Property and Equipment

Property and equipment consist of the following at December 31:

	 2016	2015		
Leasehold improvements	\$ 1,466,688	\$	1,452,819	
Action equipment	669,761		669,761	
Office equipment	443,806		319,887	
Vehicles	172,454		109,300	
Software	 368,179		84,080	
Total property and equipment Less: accumulated depreciation	3,120,888		2,635,847	
and amortization	 (2,050,034)		(1,800,628)	
Property and equipment, net	\$ 1,070,854	\$	835,219	

Depreciation and amortization expense for the years ended December 31, 2016 and 2015, was \$249,407 and \$212,763, respectively. Of the depreciation and amortization expense, \$23,462 and \$23,195 was allocated to the Fund for the years ended December 31, 2016 and 2015, respectively.

6. Related Party Transactions

The Organization has entered into various agreements and transactions with the Fund; the Council; and other Greenpeace affiliates as follows:

Greenpeace Fund, Inc.

The Fund provides funding for various program activities performed by the Organization. Grants from the Fund totaled \$9,650,000 and \$6,542,500 for the years ended December 31, 2016 and 2015, respectively, and are included in the accompanying statements of activities.

In addition, the Organization has a \$2 million line of credit arrangement with the Fund to help support its operations. Interest has been accrued at a rate of 7.25%. Interest expense was \$88,887 and \$117,585 for 2016 and 2015, respectively, and is included in the accompanying schedules of functional expenses. The line of credit's balance was \$2,035,228 and \$-0- at December 31, 2016 and 2015, respectively, and is included in the accompanying statements of financial position.

Notes to Financial Statements December 31, 2016 and 2015

6. Related Party Transactions (continued)

Stichting Greenpeace Council

Greenpeace is a global environmental organization, consisting of Greenpeace International (Stichting Greenpeace Council – "the Council") in Amsterdam, and 26 independent national and regional offices across the world covering operations in more than 55 countries. These national/regional offices are independent in carrying out global campaign strategies within the local context they operate within, and in seeking the necessary financial support from donors to fund this work. Greenpeace International's main legal entity is "Stichting Greenpeace Council" (SGC). It is a Dutch Stichting -a foundation-type non-profit entity- based in Amsterdam, the Netherlands. The Organization is a voting member of the Council. All Greenpeace entities are influenced by decisions of the Council; however, the Organization has ultimate responsibility for and control over its own activities and decisions.

During 2016 and 2015, the Organization received contributions and grants from the Council of \$3,348,032 and \$3,466,926, respectively.

In August 2015, the Organization entered into a \$400,000 loan agreement with the Council to support fundraising initiatives. The loan is unsecured and bears fixed interest rate of 0.30% per year, accrued monthly. The loan is due in four equal installments during 2016, with the final payment including all accrued outstanding interest set on December 31, 2017. The loan's outstanding balance was \$301,378 and \$400,400 at December 31, 2016 and 2015, respectively.

Greenpeace Fund, Inc.

The Fund is recognized as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, and is exempt from income taxes except for taxes on unrelated business activities and receives management services from the Organization.

Expenses Shared with Greenpeace Fund, Inc.; Stichting Greenpeace Council; and Other Greenpeace Affiliates

The Organization shares certain management and general costs with the Fund and the Council. All shared costs are charged to the appropriate entity based upon specific identification or are allocated based on time incurred. The Organization's share of such costs is then allocated to the various programs and supporting services included in the accompanying statement of activities. Total costs allocated to Fund were \$240,490 and \$249,805 for 2016 and 2015, respectively. Total costs allocated to the Council were \$505,950 and \$345,257 for 2016 and 2015, respectively.

Notes to Financial Statements December 31, 2016 and 2015

6. Related Party Transactions (continued)

The Organization pays certain expenses on behalf of the Fund, the Council, and other Greenpeace affiliates. The Organization also has certain expenses paid on its behalf by the Fund, the Council, and other Greenpeace affiliates. A summary of the net result of these transactions as well as contribution balances due from or to the Fund, the Council, and other Greenpeace affiliates, are as follows at December 31:

	2016	2015			
Due from Greenpeace Fund, Inc.: Expense sharing Grants Receivable	\$ 617,607 1,305,000	\$	763,475		
Due from Greenpeace Fund, Inc.	\$ 1,922,607	\$	763,475		
Due from Stichting Greenpeace Council: Expense sharing - billed Expense sharing - unbilled	\$ 791,185 91,842	\$	365,568 30,837		
Due from Stichting Greenpeace Council	\$ 883,027	\$	396,405

7. Temporarily Restricted Net Assets

At December 31, 2016, temporarily restricted net assets consisted of \$131,884 restricted to supporting certain Ocean and Forest projects. At December 31, 2015, the Organization carried \$49,138 in temporarily restricted net assets in support of certain Frontline efforts.

Notes to Financial Statements December 31, 2016 and 2015

8. Allocation of Joint Costs

The Organization achieves some of its programmatic goals by direct mail, telemarketing, canvassing, and similar campaigns that include requests for donations. The cost of conducting those campaigns was allocated as follows for the years ended December 31:

	2016	2015				
Program expenses Fundraising	\$ 12,643,856 3,931,901	\$	11,897,415 2,409,465			
Total joint costs	\$ 16,575,757	\$	14,306,880			

9. Commitments and Contingencies

Operating Leases

The Organization leases office facilities, warehouse space, and equipment under various operating leases with restrictive cancellation clauses. Certain leases require the Organization to pay its proportionate share of real estate taxes and other operating expenses.

On June 30, 2009, the Organization renegotiated the terms of the existing office lease in Washington, DC and entered into two new lease agreements for existing and additional office space for 11 years, commencing July 1, 2009. The leases call for certain rent abatements and a fixed base rent with annual rental increases of 2.5% of the base rent.

During 2012, the Organization entered into an agreement to lease office space in San Francisco, California, which commenced on October 1, 2012 and expires on September 30, 2019. The lease calls for certain rent abatements and a fixed base rent with annual rental increases of approximately 3% of the base rent.

During 2013, the Organization entered into an extension to continue to lease warehouse space in Landover, Maryland. The original lease began in February 2000. This addendum commenced on September 1, 2013 and expires on May 31, 2020. The extension calls for certain rent abatements and a fixed base rent with annual rental increases defined in the agreement. In addition, the lease provided for allowances of improvements in the years 2014 and 2015.

During 2013, the Organization entered into an agreement to lease warehouse space in Oakland, California, which commenced on November 1, 2013 and expires on September 30, 2019. The lease calls for certain rent abatements and a fixed base rent with annual rental increases of approximately 3% of the base rent.

Notes to Financial Statements December 31, 2016 and 2015

9. Commitments and Contingencies (continued)

During 2014, the Organization entered into a two-year agreement to lease office space in Oakland, California, which commenced on July 1, 2014. The lease calls for an annual rental increases of approximately 3% of the base rent.

During 2015, the Organization entered into a two-year agreement to lease office space in San Diego, California, which commenced on April 1, 2015. The lease calls for an annual rental increases of approximately 3% of the base rent.

During 2016, the Organization entered into a one-year agreement to sublease office space in Portland, Oregon, which commenced on July 5, 2016.

The effects of the scheduled rent increases and rent abatements are being recognized by the Organization on a straight-line basis over the lease terms, in accordance with U.S. GAAP. The difference between rent paid and straight-line rent expense is reflected as deferred rent in the accompanying statement of financial position. Rent expense and other occupancy costs totaled \$1,639,060 and \$1,723,758 for the years ended December 31, 2016 and 2015, respectively.

As of December 31, 2016 future minimum lease payments on all operating leases are as follows for the years ending December 31:

2017 2018 2019 2020	\$ 1,654,836 1,579,941 1,288,334 610,145
Future minimum lease payments	\$ 5,133,256

General Contingencies

From time to time, the Organization may be a party to lawsuits or have claims pending against it. In the opinion of management, the ultimate liabilities, if any, resulting from such lawsuits and claims will not materially affect the financial position of the Organization.

Notes to Financial Statements December 31, 2016 and 2015

10. Retirement Plan

The Organization maintains a 401(k) plan open to all employees after three months of full-time employment. Employees contribute by payroll deductions on a pre-tax basis up to the amount allowable by Federal law. Employee deferrals are immediately 100% vested. The Organization contributes to the 401(k) plan under a Safe Harbor matching provision, which requires the Organization to match 100% of employee contributions up to the first 6% of the eligible employee's salary. Employer contributions totaled \$748,648 and \$649,356 for the years ended December 31, 2016 and 2015, respectively.

11. Line of Credit

During 2014, the Organization entered into an \$800,000 revolving line-of-credit in the event there is a need to manage temporary shortfalls in working capital. The line is unsecured and the terms include an interest rate of LIBOR plus 1.67% for all outstanding balances. Accrued interest is payable on the 1st day of each month beginning on December 1, 2014, with all unpaid accrued interest and principal due on September 30, 2015. This line-of-credit was renewed in November 2015 and in October 2016, and expires September 30, 2017. At December 31, 2016 and 2015, the amount due on the line-of-credit totaled \$801,734 and \$300,574, respectively.

12. Income Taxes

The Organization is recognized as a tax-exempt organization under Section 501(c)(4) of the Internal Revenue Code, and is exempt from income taxes except for taxes on unrelated business activities. No tax expense is reflected in the accompanying financial statements for the years ended December 31, 2016 and 2015, as there were no unrelated business activities. Management evaluated the Organization's tax positions and concluded that the Organization has taken no uncertain tax positions that qualify for either recognition or disclosure in the accompanying financial statements.

13. Subsequent Events

Subsequently to year-end, and as of the date the financial statements were available to be issued, the Organization repaid \$1,000,000, and later redrew on its line of credit with the Fund in the amount of \$500,000, to support first quarter operations.
